PERSONAL REPORT ON BARBARA & CHARLES

It is my belief, my faith that Barbara and I are doing well. I have learned it is not only important to have a positive faith, but it is also important to give a good report. I love God songs, church songs and songs inspired by the Holy Spirit. I want to quote one of my favorite songs from long ago on the subject of giving a good and true report:

I've believed the true report, Hallelujah to the Lamb!

I have passed the outer court, O glory be to God.

I am all on Jesus' side, on the altar sanctified,
To the world and sin I've died hallelujah to the Lamb.

CHORUS

Hallelujah! Hallelujah! I have passed the riven veil
Where the glories never fail.

Hallelujah! Hallelujah! I am living in the presence of the King!

[THESE WORDS ARE IN THE BIBLE]

Our report is that Barbara and I are doing better in every way, thanks to our loving God and the healing power of the Lord Jesus Christ and your wonderful prayers!

OUR SECOND MOVE IN FIVE MONTHS. OUR MAIL ADDRESS THE SAME.

We sold our house in December of 2016 and moved to an independent living apartment. We were not there long until we began to discover problems of various kinds. We found a different place and moved again on April 20, 2017. This place is better in every way. God truly opened a great door for us. We now live in another Dallas suburb called Frisco, about fifteen minutes from where Cyndy and Matt live. Some of the biggest companies in America are moving here!

ONE OF OUR CLOSEST FRIENDS, PAUL CANNON HAS GONE HOME

Paul was a part of Bill Marshall's Bethel Church in Baton Rouge. He was a great football player and a dedicated Christian. While I was still in my university, I went to Bethel and preached one weekend. It was on that Sunday that Paul was baptized in the Holy Spirit. He and Barb were good friends, and now I joined that friendship. Paul attended Bible College and embraced the ministry with all his heart. He met His wife Mildred in Portland, OR at Dr. Thomas Wyatt's school. They have enjoyed a great marriage and a fabulous ministry. Paul went home on April 8. A great man! We pray God's blessings on Mildred and their dear children.

**NOW, LET US BLESS YOU AND YOUR FAMILY. GOD LOVES YOU,
WE LOVE YOU AND WANT TO HELP IN EVERY POSSIBLE WAY.**

We are getting mail and phone calls from many of you, needing help in different parts of your life. Here is a good answer—Worship God. Many of God's people think of Worship as the time we sing and pray in the church. I believe Worship should be a

part of our daily lives and a constant part of our relationship with our God. Consider the power of these Scriptures:

Revelation 22:7: *Behold, I come quickly: blessed is he that keeps the sayings of the prophecy of this book. 8 And I John saw these things, and heard them. And when I had heard and seen, I fell down to worship before the feet of the angel which showed me these things. 9 Then said he unto me, See that you do it not: for I am your fellow servant, and of your brethren the prophets, and of them which keep the sayings of this book: worship God. [THESE THREE VERSES ARE POWERFUL]*

This chapter contains the closing words of this great book...and the closing words of the whole Bible. The subject: **WORSHIP GOD**. I drive down the road singing praise to God and simply saying, over and over, "Lord I love you so much. Thank you for saving me and calling me!" In my travels around the nations I hear songs with beautiful melody, catchy rhythm, but they don't point us to Jesus as Savior, Healer, and they say nothing of His Cross, Resurrection and Second Coming. We should be able to sing and hear great songs that will preach the Gospel to those who are lost and do not read the Bible

One of my favorite songs from the time I was eight years old—AT CALVARY

Years I spent in vanity and pride; Caring not my Lord was crucified,
 Knowing not it was for me He died at Calvary.
 O the love that drew salvation's plan, O the grace that brought it down to men
 O the mighty gulf that God did span at Calvary.
 Mercy there was great and grace was free,
 Pardon there was multiplied to me; There my ransomed soul found liberty
 At Calvary!

[GOD'S SALVATION PLAN IS IN THIS SONG!]

Some of you have known about my preaching in the Discovery Village Church since the end of December. This past Sunday I resigned and said sweet goodbyes to the great people. I will go back for special times, but I am no longer the pastor. I have many local invitations I must consider, and when Barbara gets well, I will be going to the world again!

My dear friend Dr. Jack Hayford has lost his sweet wife Anna, a great worshipper known all over the world. During this difficult time I wrote a special letter about my love for him and Anna. Jack wrote back to me one of the most outstanding letters I have ever received. Perhaps one day I will share parts of it with you. What a special and loving friendship I have had with Brother Jack!

Please stay in touch with us. Thank you for your gifts for our Harvest Ministries. If you are hurting, send us your prayer requests. Remember Jesus "saves and He can heal". We love all of you so much.
